Travis Joins DimcoGray

Company Reinforces Sales Group

Centerville, Ohio, USA, May 19, 2008: DimcoGray Corporation, a leading designer and manufacturer of standard and custom-molded plastic knobs and handles and specialty timers, announces that Ruth Travis has joined the company's Sales group as Inside Sales Representative.

Travis brings more than 20 years of inside sales experience to the Company. She was most recently with the Joyce/Dayton Corporation.

"We are pleased to have Ruth join us" states Mike Sieron, President & CEO. "Her strength in industrial business-to-business sales will help bolster our efforts to provide the best sales and service experience for our growing customer base."

DimcoGray is an industry leader in the design and manufacture of molded plastic knobs and handles for a wide variety of OEM markets. The Company provides superior value solutions for businesses with plastic fastener and control requirements. DimcoGray is ISO 9001:2000 registered. DimcoGray has its headquarters in Centerville, Ohio, USA. The Company is employee owned.
